EMERGENCY PHONES

In the event of a life and death situation, DIAL 9-911 immediately. For no-life threatening emergencies dial "0" for the operator and ask to notify the FIRST RESPONDER/Safety Coordinators. The operator will require specific location of emergency and tower and closest room number and a landmark. Operator will immediately send an E-mail message First Responders and Safety Coordinators teams and make an announcement over the PA system. In the event of a threatening situation the First responder will determine if it is necessary to contact 9-911.
