Andrew and Beverly Davison

I feel that the nominees have made an exceptional and outstanding contribution to the life of Christ's Church because: **Andrew as Pastor, Seminary Administrator, constant witness for peace and justice throughout his ministry. Ordained in 1949. In retirement he remains active in his home church and numerous community activities including the Housing Ministries of American Baptists in Wisconsin Board.**

Beverly served as President of ABCUSA and the ABHSM and like Andrew a constant witness for peace and justice. She holds a Master's degree in Religious Studies.

I feel that the nominee in life and service manifests richly the fruits and the gifts of the Spirit because: **They are both wonderful models of the core values which have built the solid witness of American Baptists through the years. They are some of the most humble folks I know and I believe now is the time to honor them. Few couples have served ABC as long and as loyally as Andrew and Beverly.**
