"Blessed Be the Lord God" invites congregations to meditate on the biblical songs of Advent as they discern their individual and household giving for the following year. The program restores the focus of Advent songs to blessing God for the gift of Jesus Christ. It also focuses on restoring our response to that great gift. This four-week stewardship emphasis is based on four Scriptures that are songs of blessing. Included in this Giving magazine insert are a planning schedule, sample letter of invitation, reminder card, and a theme song written by Ken Medema, all of which may be photocopied. While this resource would be particularly useful during Advent, it is designed to be used at any time of the year. Theme materials (below) are available to coordinate with the program. Prices do not include shipping and handling.
