Tina Turner,

The Michel Vital Foundation, Inc. leadership team would like to humbly thank you for the opportunity to receive a grant from ABCUSA. We could not be more grateful that all of you have taken the time to learn more about our mission in Haiti and have devoted your lives and time to being the hands and feet of Jesus. Our mission would not be able to be fulfilled without ministries like yours with a passion to help others.

For more than 40 years, the Foundation has been ministering to the children and families of Haiti who are struggling and in terrible poverty. Our mission is to provide resources, programs and services that allow us to invest in the individuals of Haiti. We want to make a positive impact in the community and provide individuals with the opportunity to receive an education as well as prepare them to succeed and contribute to their communities. Additionally, we provide aid to children in need whose families are unable to provide care or have lost their parents to tragedy such as the 2010 earthquake.

In the next year, we have great plans to continue upholding the mission and vision of the Foundation through many projects. Earlier in 2015, we began construction of the cafeteria at our orphanage location in Gressier. We have a vision to complete this construction in 2016 and the ABCUSA grant would help make our vision possible as we currently do not have the funds to make this work.

Our team sincerely thanks you for taking the time to learn about our ministry and work. We would be extremely blessed to receive a grant from ABCUSA to continue the work for those in need. If you have any questions or need any more information please feel free to contact via phone at 502-807-2167 or email: jonathan@michelvitalfoundation.org.

Thank you again and my God continue to bless you and your ministry.

God bless,

Jonathan Jeanty

Dear Tina Turner,

We want to thank you for your consideration of our grant applicants on for the ABCUSA Matthew 25 Grant Application.

As the pastor of The Bethel Haitian Baptist Church I have approached our financial department and we have approved the project for MVF and would like to be the financial agent for the organizations pursuits of this grant. We believe that MVF shares the same beliefs, mission and vision as our church. Again we want to thank you and the committee for taking the time to review this ministry. We pray that you can be an integral part of the ongoing work with this mission in Haiti.
