### Review: Any notices/wonderings/star that from the work we did in meeting 4, as follows?

Pr	oposal	Convening Table	Notice/Wonder/Star That
Α.	Develop a Common Framework and Language for work of Anti-Racism	<ul> <li>Shared Language/What does anti-racism work include? (DEI, etc.)</li> <li>What language can be is helpful, not impeding/distracting</li> </ul>	
В.	Core issues:	- Need to do history work to	- Learning -> Acknowledgement
-	ABC history	ensure we do not go down the same road with same	[good place to start] -> Repentance [calls us to introspection,
-	Need/opportunities for repentance, unlearning, relearning Identify hindrances for ABC stakeholders to participate	<ul> <li>non-results</li> <li>Acknowledgement (we acknowledge great need for education in various forms)</li> <li>The Convening table is currently discussing consideration from NEC/REMC perspectives</li> <li>Recognize that churches are also on different journeys (different points along a continuum of cross-cultural sensitivity/ability</li> <li>"Clearing house" idea / how do we share learning, build synergy, so our overall denominational culture/narrative is</li> </ul>	<ul> <li>examination, follow-up action] -&gt; transformation [can't have transformation without repentance]</li> <li>In discussion, Marie referenced "Developmental Model of Intercultural Sensitivity" theory and "Intercultural Development Inventory" instrument.</li> <li>IDRInstitute - IDRInstitute (DMIS)</li> <li>Intercultural Development Inventory   IDI, LLC (idiinventory.com) (IDI)</li> </ul>
C.	Denominational	transformed? - We have acknowledged the	- Parsing out any one of these areas
	Assessment/Transformation	work is so large and still	is huge in itself: such as
-	Develop strategy/plan for every aspect of denom (hiring, economics, governance, missiology, polity, core values, collaboration of anti-racism work)	<ul> <li>trying to distill what is the work we can do together; how can we at least impact our own selves (let alone society at large)</li> <li>We touched on missiology, partnership, impact of church in society (or vice versa), processing and applying beyond statements,</li> </ul>	<ul> <li>Economics – socially responsible investing, where we have conferences; what kind of orgs do we engage (vetting)?</li> <li>Hiring – how, who, from where</li> <li>What are orgs willing to do to invest in this work—staff time?</li> <li>Dollars to implement recommendations?</li> </ul>

#### **Commission Goals and Activities**

	acknowledgement of different journeys and different points on similar journeys; anti-racism work impact on discipleship/evangelism) - What are effectives models when an org wants to bring change upon itself (vs. external advocacy work)?	- Wondering: Because these are so large, can one "low hanging fruit" goal of a commission be to create/provide a checklist of anti- racism-lens questions that can be considered when going through assessment or decision making for any one of these areas? In addition, how can this checklist be also be used in measuring impact? And if impact if self-reported back to the commission, can a goal down the road be developing recommended practices for any one of these areas.
<ul> <li>D. Advocacy as expressions of ABC commitment</li> <li>- Reparations, etc.</li> </ul>	<ul> <li>Identified three potential tracks (narrative, advocacy, activities/education)</li> </ul>	<ul> <li>Star That: The ability to lean heavily on those who are deep in this work will be helpful going forward; allow on One example of potential partner shared by Lisa: <u>https://francescocollaborative.org/</u> Felipe Witchger, a co-founder</li> </ul>
E. Capacity building for the work (staffing, funding, etc.)	<ul> <li>Noted unjust practice of adding responsibilities on staff without readjustment of work/compensation</li> </ul>	<ul> <li>Clarify staff leadership/support for commission</li> <li>Organizations have had in the past Diversity officers; maybe now part of Human capital management/HR</li> <li>Orgs have used outside consultants</li> </ul>
