WHAT'S NEW?

COMFORT INN & SUITES SANFORD SPORTS COMPLEX

The Sanford Sports Complex will have another lodging choice on the campus with the addition of a Comfort Inn & Suites, opening Spring 2023. This 86-room hotel joins the Fairfield Inn & Suites as two perfect overnight options for the many athletes competing at the Sanford Sports Complex.

DAVE & BUSTERS

Whether you want to get competitive or just feel like a kid again, Dave & Buster's can scratch that itch for you. There are many different games to play, both solo and with a group. If you need a break, take a seat in the bar side where you can catch a game on the huge tv wall and enjoy some food and drinks.

HIGHBALL

Highball quickly became a standout in downtown Sioux Falls shortly after opening its doors. Choose from a wide array of cocktails in this swanky atmosphere. They also have a few small food items such as the local favorite, crab Rangoon cheeseball served with fried wontons.

WHAT'S NEW?

NCAA DIVISION I HOCKEY

Augustana University is adding a NCAA Division I men's hockey team to its list of athletics. The Vikings will hit the ice at the start of the 2023-24 season at the Midco Arena, a 3,000-seat venue under construction on the Augustana campus. The team will compete in the Central Collegiate Hockey Association (CCHA).

SANFORD SPORTS COMPLEX

The Sanford Sports Complex has become a go-to spot for sports event organizers, and it will soon be getting even more fields. The new addition will include five baseball fields, five softball fields, and eight multi-use fields. Each field will be turf and lighted. The fields are expected to be completed in fall 2022.

STEEL DISTRICT

Restaurants, retail, apartments, office space, a hotel, and more are under construction at a site in downtown Sioux Falls known as the Steel District. The 216-room Canopy by Hilton will also include 20,000 square feet of convention space. The Steel District development will open in phases, with the hotel being the last to open in summer 2024.

Thank you for your
time and consideration.

We look forward
to working with you!
