

Office of the General Secretary

The Office of the General Secretary carries out three important functions for American Baptist Churches USA. We serve by gathering the denomination; supporting congregations, regions, and national organizations; and creating space for local and global issues.

Gathering the Denomination

We gather leaders, worshipers, and denominational staff from across the ABC. While the Office of the General Secretary hosts and facilitates the planning for these meetings, planning is conducted with input from the entire ABC family.

Supporting Congregations, Regions, and National Organizations

The Office of the General Secretary supports local ABC congregations in a variety of ways both directly and indirectly.

Creating Space for Local and Global Issues

Throughout its history, the Office of the General Secretary has carved out space for the gathering and disseminating of information on local and global issues with denominational impact.

It Takes All of Us

While the Office of the General Secretary serves as the central connecting organization of American Baptist Churches USA through gathering, supporting, and creating space, we are also extremely indebted to the national boards who provide ministry programs and resources for local churches and all American Baptists.

Next Summer, You're Invited to
Come Seek Living Water

An Invitation from Rev. Dr. Gina Jacobs-Strain,
General Secretary of American Baptist
Churches USA:

The Biennial represents a special time in the life of American Baptist Churches USA. It is family reunion, where people come from near and far with eager anticipation of fellowship.

The Biennial is a time of reconnecting and sharing, a time for restoration and reenergizing, where we deepen our passion for sharing the gospel, evangelizing, and engaging in discipleship. It's a time for celebration and a call to action. Together, we approach the Biennial with our hope firmly rooted in Christ. Here, we are reminded of our interdependence, the power of our collective efforts, the diversity of our ministries, and our shared love for God and one another. It's where we witness the sacred and the practical aspects of our ministries coming together.

As brothers and sisters in the American Baptist family, we strive for harmony, honoring the fact that each of us is made in God's image with unique gifts and expressions of faith. As we leave each Biennial, we carry with us new dreams, new ministries are birthed, new collaborations are formed and our souls are revitalized. Prayerfully, we leave with a renewed zeal, eagerly responding to God's call to action. Our time of celebration, our family reunion, transitions into purposeful collaborative actions. Join us in Omaha for the 2025 Biennial, as we **Come Seek Living Water!**
