

Together, we remember.

In 2023, thanks to your generosity, contributions to RMMO totaled \$965,568. RMMO recipients often tell us about the difference your gift makes in their lives.

Gratitude

“Thank you for the special gift you’ve extended at the end of the year. It has helped with medical expenses for my wife, who is now in hospice care.”

—Retiree from Muncy, PA

Sometimes your gift is the answer to an urgent prayer.

Comfort

“Thank you for the check that arrived last week. It means a great deal to me. I had to have a tooth pulled recently which cost \$600. That unexpected expense was a real burden. Your gift has eased my worries considerably.”

—Retiree from NH

Other times it is a heartwarming reminder that the American Baptist Churches USA still love and support those who gave so much to the church.

Tribute

“Thank you so much for the recent check. It is always nice to be remembered.”

— Retiree from Boston, MA

But every time they receive emergency assistance or a Thank You check, the retired ministers, missionaries and widowed spouses pause to express their gratitude.
